MAY 21-23, 2021 NIAGARA FALLS | CANADA VIRTUAL CONFERENCE

Final Extended Paper Submission Deadline: March 26, 2021

Final Extended Early-Bird Registration: April 04, 2021

The 8th International Conference of Fluid Flow, Heat and Mass Transfer (FFHMT'21) and the 5th International Conference of Energy Harvesting, Storage, and Transfer (EHST'21) aims to become the leading annual conferences in each of the specialized fields.

The goal of FFHMT'21 and EHST'21 is to gather scholars from all over the world to present advances in each of the specialized fields and to foster an environment conducive to exchanging ideas and information. These conferences will also provide an ideal environment to develop new collaborations and meet experts on the fundamentals, applications, and products of the mentioned fields. Interested authors, researchers, and industrial experts are invited to register for any of the conferences that best resonates with their technical background. At the same time, attendees are permitted, and even encouraged, to attend talks from co-located conferences.

Submissions in the form of extended abstracts, short papers, and full manuscripts are welcome. All submitted papers will be peer reviewed. All accepted

and presented papers will be published in the conference proceedings, under an ISBN reference in a USB drive. The online version of the proceedings will also be published under an ISSN reference and each paper in the proceedings will be assigned unique DOIs by CrossRef, and indexed in Google Scholar. The conference proceedings of FFHMT'20 will be indexed by Scopus.
